Dear Ms. Burdick:

An off-sight complaint investigation survey regarding Bridgeview Estates on November 16, 2011. During that time, interviews, and record reviews were conducted with the following results:

Complaint # ID00005193

Allegation #1: The facility did not ensure an identified employee's fingerprints were submitted to the criminal history unit within 21 days of hire.

Findings #1: On 11/16/11, the as-work schedule was reviewed from May 2011 through August 2011. The identified employee was not listed on the as-worked schedule.

On 11/16/11 at 12:55 PM, the administrator stated the identified employee had never worked at the facility. She stated the employee may have been hired through the long-term care unit of the same company, but she had no knowledge of that. She further stated, "we ensure they have their background checks complete prior to hire."

Unsubstantiated.

As no deficiencies were cited as a result of our investigation, no response is necessary to this report. Thank you to you and your staff for the courtesies extended to us on our visit.

Anita Burdick, Administrator
